FLORIM BULICA

Front-end Developer

PROFILE

My name is Florim Bulica. I am 23 years old web developer from Republic of Kosova. I design and develop web aps using: HTML, CSS and JavaScript. I have knowledge in HTML, CSS, JavaScript, Sass, Tailwindcss, Bootstrap, also in Git VCS, npm and Webpack.
I spend a lot of time reading and learning new things about Web Development. When dealing with projects I always try to give my best so the websites are professional and fully copleted. Right now I am looking for an internship that will help me gain experience, learn new things, develop new abilities in programming.
