---	---------------------

To whom it may concern,
It is my pleasure to recommend Adit Daku for being part of your company.
I worked with Mr. Daku for four months, in my capacity as the PD in ATV MEDIA.

Mr. Daku always produced a high volume of work while consistently trying to maintain high standards for quality and accuracy. During this time, he took on all the tasks with a positive energy. One of his distinguished characteristics is that he was always willing to gain new skills and never hesitated to ask professional questions. He worked closely with other control room staff, showing his readiness to work in a team.

Therefore, I have no reservation whatsoever in recommending Mr. Daku as an employee. This opinion is based on his skills and on the fact that he is a promising young person.

Sincerely
Agon Lila
