Profile

I am a driven individual with high aspirations. I enjoy learning and excel in math. I have acquired knowledge and abilities in a variety of math, analytics, economics, and insurance fields during my studies at the University of Prishtina. As I advanced from an audit intern to an audit analyst at Deloitte, I also demonstrated expertise in conducting financial audits, data analysis, risk assessment and teamwork.

Education

High School Sep 2016 – Jun 2019

Sami Frasheri, Prishtina

I finished high school as a distinguished student of the generation and participated in competitions within the school in the fields of science.

B.Sc. Financial Mathematics Oct 2019 – Nov 2022

University of Prishtina

Developed skills in the fields of mathematics, analytics, economics and insurance.

Employment

Audit Intern Sep 2022 – Feb 2023

Deloitte Kosova

Supported the audit team in conducting financial and operational audits, assessing internal controls, and ensuring compliance with regulatory requirements. Worked closely with other team members to gather evidence and perform analysis to support our audit conclusions. Throughout the internship, I had the opportunity to learn and develop important skills in auditing, problem-solving, and communication

Audit Analyst Mar 2023 – Present

Deloitte Kosova

Responsible for conducting substantive testing, which involves testing the accuracy and completeness of financial information. Working closely with other team members to gather evidence and perform analysis to support our audit conclusions. Through this process, I help ensure the reliability of financial statements and provide valuable insights to clients.
