ABOUT ME

As a 17-year-old top-performing student at Mehmet Akif Lippjan High School, I'm set to enter my senior year soon. With two years of intensive training at Digital School, I've honed my Python and front-end development skills and am now expanding my expertise in PHP. I am eager to leverage my technical abilities and academic excellence by joining your esteemed team.

EDUCATION

UNDERGRADUATE
Mehmet Akif /
Lipjan /
2025

• Natural Sciences - Mehmet Akif Lippjan (MAC)
I am an accomplished student at Mehmet Akif Lippjan High School, where I have consistently excelled academically. In just one month, I will be entering the 12th grade (senior year), ready to continue my journey of learning and success.

Digital School (Ferizaj)

• PHP - Field of study currently
Over the past two years at Digital School, I've gained valuable skills in Python and front-end development. Currently, I'm expanding my expertise by diving into PHP.
