Experience

Frontend Developer

Spinp Agency • Prishtina, Kosove
02/2023 - 07/2024

During my eight months at Spinp Agency, I gained extensive knowledge in HTML, CSS, and JavaScript. I worked on several websites to enhance my skills and also learned about WordPress. Using these technologies, I played a key role in creating dynamic and visually compelling websites. My responsibilities included skillfully implementing frontend designs using HTML, CSS, JS and WordPress.

WordPress Developer

Star Labs • Prishtina, Kosove
02/2024 - 05/2024

During my three-month internship at StarLabs, I gained valuable experience and expertise in WordPress, PHP, HTML, CSS, JS. Immersed in a dynamic environment, I honed my skills through hands-on projects and collaborative teamwork. This experience has greatly enriched my capabilities and bolstered my readiness for professional endeavors in the field of web development.

Web Developer

British College of Sciences By PBC • Prishtina, Kosove
07/2024 - 10/2024

As an intern at the British College of Sciences by PBC, I am working on an e-commerce project, applying my knowledge in web development and design to create a successful and functional online commerce platform. I am eager to gain more knowledge in this field and will do my best to excel in it.

Skills

HTML, CSS, WordPress, elementor, wordpress elementor, SQL Server Management Studio, PHP, MySQL, JavaScript, Bootstrap, tailwind, SEO

Education

Computer Sciences

British College Of Science By PBCA • Prishtina, Kosove
08/2024

At the British College of Science by PBCA, where I maintain a strong academic record with high grades. My academic achievements reflect both my dedication to learning and my passion for excelling in the field of computer science.
