## WORK & LEADERSHIP EXPERIENCE

QUAD A, Chicago, **Project Manager** 05/2022 – 09/2024

- Responsible for overseeing 2 software development projects from the project proposal to the deployment of features in accordance with our stakeholders;
- Maintain continuous discussions with our stakeholders, on a weekly and monthly basis, to gather requirements, project objectives, requirements, and success criteria;
- Monitoring project expenses, managing budgets, and optimizing resource allocation.
- Providing weekly scrum meetings, quarterly workshops and seminars to cultivate a collaborative and high-performing team culture.

Ministry of Finance, Labor and Transfer of Kosovo, **External Consultant** 05/2021– 04/2022

- Participated in high-level discussions and strategic planning sessions to align budgetary priorities with overarching government policies, legal mandates, and strategic objectives related to judicial reform and access to justice;
- Prepared comprehensive budget proposals and financial plans, meticulously detailing resource allocations, expenditure breakdowns, and funding mechanisms;
- Organized and held “Financial Allocation and Reporting” workshops for the Administrative Division of the Kosovo Council for Financial Reporting, with a focus on regulatory compliance requirements, fiscal discipline and transparency standards.

REX Consulting, Kosovo, **Qualitative Researcher** 01/2020- 04/2021

- Contributed to various reports for the World Bank, such as Digitalization of Public Sector: “Identifying, attracting, and retaining critical skills,” “Digital Skills in the Kosovo Civil Service,” “Infrastructure Readiness,” “Digitalization Strategy” and “Accelerating Digital Transformation”;
- Conducted desk as well as field research for “Kosovo’s Diaspora: Remittance inflows, Diaspora demographics, and Diaspora tax status” report for the World Bank;
- Held the responsibility to collect and analyze statistical data and information in SPSS from a wide variety of sources to evaluate past and present economic and social performance trends in Kosovo in order to create a bulletin on Kosovo’s main macroeconomic indicators and keep monthly, quarterly and annually updates.
