

Curriculum Vitae

Abdylkader Çerkezi

Tel: +383 (0) 45 852 775

E-mail: cherkezi.kader@gmail.com

Birthday: 23.01.1998

Education

University of Prishtina / Bachelor Degree

SEPTEMBER 2016 - Present(3rd year), Anticipated Graduation date 09.2022

Department of Mathematics, Mathematics

Language skills

(1 = excellent; 5 = poor)

Albanian: Reading (1), Speaking (1), Writing (1)

English: Reading (1), Speaking (2), Writing (2)

Turkish: Reading (1), Speaking (1), Writing (1)

Computer skills and competences

- Ability to use the structured programming and object-oriented paradigm.
- Ability to write SQL queries.
- Programming Languages (Python, SQL)

Organization skills and competences

- Good communication skills
- Team Worker
- Ability to adjust and work in a multi-ethnic and multi-cultural environment
- **Respect the organizational hierarchy**

Motivation Letter

I have stable knowledge in mathematics, recently I got interested in Data Science and Machine Learning.

I have gained my analytical and problem-solving skills during my study in mathematics.

The wide application of mathematics in these fields helped me to understand the core concepts of machine learning and impressed me a lot.

I have predicted data through linear modules and nonlinear models, I have implemented ridge and lasso regression algorithms. I have also plotted the data, and errors between my prediction and true data etc.

I am really motivated to use the opportunity you may give to me

starting my career as an internship at your company.
