PROFILE

I am a student in Computer Science and Computer Engineering at the bachelor level in the 4th semester and I have good skills in the programming languages I mentioned.

SKILLS

- HTML
- CSS
- Bootstrap
- Java
- MySQL
- WordPress

EXPERIENCE

I have no work experience.

In addition to the faculty, I attended other programming courses such as Roi Academy (Java basics) and Digital School (Full Stack) where I am still active in the latter. I have good knowledge in: Java, HTML, CSS, JS, PHP and MySQL.

EDUCATION

HIGH SHCOOL
